Dear Bryan -

I find myself in difficulty as to Mr. Fitz's luncheon. If I may not be able to make it, and if tributes are to be paid, I'd like to have you read this. My thanks.

I'm planning to visit you this year.

Your Nashua broadcast was extraordinarily good. Congratulations.

Good luck,

ABA

Bryan Field, Esq.
Chairman, Sportsmanship Brotherhood Luncheon
The Waldorf Astoria
New York, N. Y.

Dear Bryan:-

I regret that I may not be present at today's celebration. But I would be lacking in understanding of Sportsmanship if I did not insist upon bearing testimony to the magnificent example set by "Mr. Fitz" throughout his life. And it has not been too easy, for most of that time he has been a master of his craft, and so he has been a shining mark to shoot at.

"Mister Fitz" is a Great Horseman and a Great Gentleman. I am proud of the friendship he has given me.

I congratulate the Sportsmanship Brotherhood on honoring itself by honoring him. The world needs more Mr. Fitzes in every walk of Life.

Good luck to him from across the years,

Herbert Bayard Swope
