Dear Mr. Fitzsimmons -

I read in the
N.Y. Times children were
writing for a picture of
Uashua. Would you
send me one
think would make a
good painting. I love
painting horses & I have
wanted to paint Uashua
for a long time. I would

like a full picture of
him not a head as his
conformation is so strong.
You certainly have
trained him to
perfection & he is a
credit to your devotion
& skill. Would you
sign the picture too
as a remembrance
of Mr. William Woodward
Sr. who was a great
friend of my husband.

Yours sincerely
(Mrs Victor Torchan) Marcia Torchan
