

February 23, 1960

My dear Mr. Fitz -

I watched you on T-V from Hialeah this past Saturday and greatly enjoyed your philosophy on longevity
KEEP FROM WORRYING, KEEP FROM HATING AND BITTERNESS,
THINK OF THE OTHER FELLOW.

You are indeed one of the grand old gentlemen of our time, and I hope your advice will be followed.

Good luck to you always, and a continuance of your good health and activity.

Sincerely,

Bob Allan
