Dear Mr. Fitz:

Under separate cover I am forwarding you a copy of the July, 1963, issue of the Thoroughbred of California which contains an article concerning the winters of 1905-06 and 1906-07 that you spent in California, and which I questioned you about last May. Many thanks for your help and thoughtfulness.

Sincerely,

A handwritten signature in blue ink that reads "Dick Nash". The signature is written in a cursive style with a large, sweeping "D" and "N".
