Dear Mr. Fitzsimmons

I've wanted to write you and congratulate you on your 90th birthday ever since I saw your picture in the paper, because there is something about your face that would bring sunshine into anyone's life, just the way you smile, may I say that your nick name suits you very well. Maybe it's because there is something about you that reminds me of my Grandfather who died 5 yrs ago at the age of 88, and he was a wonderful man. So please accept the comparison as a nice compliment. and may you have many more healthy

years left ahead of you.  
Something I've always wanted  
to ~~go to~~<sup>do</sup> was <sup>to go to a</sup> horse race at  
the St. Anita race tracks,  
but I doubt if that will  
happen for a long time yet  
as I have five children to  
put through school yet.  
a boy 17, 13, 6 and girls 9 & 3.  
and also to be lucky enough  
to meet a fine happy  
looking person like you.  
If you ever go to Canada  
for a visit and have  
the time please stop in  
and see us. we live in  
a small paper mill  
town called Marathon Ontario  
owned by American Can. Co.  
you probably heard about  
it. My name is Evelyn  
& my husband is Kurt.

Englemark, he is Swede and  
I'm French. Hoping this  
letter reaches you and that  
you enjoy many more  
healthy years.

Sincerely,

Mrs Evelyn Englemark
