March 14, 1966

Dear Edith and Ed,

We were so deeply sorry to hear of Grandpa Fitz' passing, and our love and sympathy are with you and all the family in your great loss.

We will always treasure the friendship we had, and the deep affection and respect we felt for him. We only wish we were nearby at this time to attend the funeral and pay him our respects.

With loving wishes to you and all the family.

Sincerely,
Betty and Bob Rocki
